19941216\_VFX Award Rules\_Jon\_VFX Branch - Subcommittee Vote.pdf

December 16, 1994

Memo to: Visual Effects Award Rules Executive Committee  
From: Jonathan Erland, Chairman  
Re: One small step for Visual Effects,  
one giant leap for the Academy!

Dear Fellow Committee Members:

This morning I presented our case for branch status to the Academy's Board Realignment Committee. I wanted you all to be the first to know that thanks to our efforts the Realignment Committee unanimously voted to endorse our cause and will present a positive recommendation at the next Board of Governors meeting in January to add a Visual Effects Branch.

So, we've made it past the first hurdle and hopefully, by the end of January I'll be addressing memos such as this one to the Visual Effect Branch Executive Committee!
